#### Hope for the Hopeless

Lutheran Church—Missouri Synod  
Office of National Mission, Life Ministries  
St. Louis, MO

This grant will provide funding for curricula and resources specifically developed to provide a Christian response to mental illness that includes an emphasis on the Gospel and sharing Christ with psychological sensitivity.

Pastors, church workers and lay leaders may be trained to be able to recognize the warning signs of people who are in despair and are hopeless and at risk of taking action to hurt themselves or end their own lives.

There are unique Christian witnesses serving people who are feeling despair and hopeless.

Distinctly Lutheran training is being developed with interventions to share the hope that is found only in Jesus Christ through Christian love and care in psychologically appropriate ways and to prevent suicide from occurring.

For in this hope we were saved. Now hope that is seen is not hope. For who hopes for what he sees? But if we hope for what we do not see, we wait for it with patience.

(Romans 8: 24-25 ESV)
