Registration Process (Website)

We will be following the same process as with our Tuscarora programs. Here's an example scenario to illustrate how it works:

Example: Sarah and Ruth will be roommates in Riverside Manor II but register separately.

- Sarah registers first, selects Riverside Manor II, adds it to her cart, and checks out. She then uses the "add roommate" option to list Ruth.
- The system charges only the \$100 deposit, showing a single occupancy balance until a roommate is added.
- Once Ruth registers, the system merges the reservations, and both receive updated pricing by email.
- Final balances are due two weeks before the retreat. Automatic email reminders will be sent, and our registrars will follow up if needed.
- If a roommate has not registered by the balance deadline, the primary registrant will be contacted directly.

Atlantic District LWML Children and Youth Policy at Retreat

This retreat is designed exclusively for adult women, and there is no separate child programming, youth entertainment, or childcare available. Mothers or grandmothers who wish to bring a daughter or granddaughter may do so under the condition that the young attendee registers at the children's rate and participates directly alongside their guardian in the adult sessions. Please note that to maintain the retreat's intended atmosphere, youth registration is strictly capped at 5% of total capacity; once this limit is reached, no further youth registrations will be accepted.
