2022-2024

Hope, Emotional Healing and Renewal for Principals, Teachers and Nurses as First Responders

Lutheran Counseling Center - New York, NY

This initiative will be open for New York based Lutheran school teachers and principals as well as public school teachers. It will also be open to nurses and medical staff members in our churches and communities.

The goal is to spread the Gospel of Jesus Christ through the faith-based counseling of our Christian therapists.

The grant will fund 50 counseling sessions subsidized by \$75 each and 8 group counseling sessions for Lutheran Schools Association Principals.

The Lutheran Counseling Center (LCC) of New York is a nonprofit organization that was established in 1989. The primary mission of the Lutheran Counseling Center is to make available faith-based individual and family psychotherapy for people in need of healing. LCC provides a total of between 5,000 and 7,000 counseling sessions per year by 18 licensed mental health counselors at its nine church based sites over the metropolitan NY area.

In addition to being licensed mental health counselors, all LCC therapists are Christian and are either pastors or church leaders. Through its special programs and educational seminars, the LCC also touches the lives of hundreds of other people in the five boroughs of New York City, Long Island and Westchester.

He heals the brokenhearted and binds up their wounds. (Psalm 147:3 ESV)
